Winter is traditionally a time of hibernation and hiding indoors, but not in Bayview! We're thrilled that so many of you continued to visit us at the Bayview Community Centre over the chilly winter months, attending a wide range of events and activities designed to keep you active and connected to your community. We've welcomed some exciting new faces to the Centre, including Tina and her two free weekday yoga classes plus a fortnightly visit from the North Shore Mobile Library. One-off events like August's Repair Café, our Disney World of Wonder card swap and the recent introductory workshop on te reo and tikanga Māori proved hugely popular. If you missed out on that latter workshop, check out the FREE course we're hosting at the Centre during Term 4 on the right of this page (registrations are now open!).

There's a LOT coming up in the next few months, so make sure you check out both sides of this *Bayview Beat* for just a taste of some of them and register for as many events as you'd like. You can also email your intention to attend to community@bayviewcentre.org.nz. Keep an eye on our Facebook page for additional events, including two community markets, or contact the Centre for more info.

One of the most enjoyable parts of my job continues to be hearing from local Bayviewians about workshops and events they'd like to attend at the Centre. If you have an idea about something you'd like to happen, or are keen to offer your services and skills (whatever they may be!), let me know! I hope to see you at our volunteer info drop-in afternoon coming up in late October (details over the page) where you'll learn how you can get involved with events like FoodTogether Fridays, next year's Meet the Neighbours picnic (save the date: Friday 7th March!) and more! We can't wait to see you there.

Nga mihi,

## Resilient Bayview: A COMMUNITY Approach

**Tuesday 15th October  
7-8:30pm**

Utilising lessons learnt in the 2023 Auckland Anniversary floods, this FREE workshop facilitated by Neighbourhood Support with the help of key stakeholders, aims to prepare Bayviewians for the next disaster event.

Bring your ideas along on the night & contribute to the creation of an effective Bayview Community Resilience Plan. You'll learn about a recent study asking Bayviewians how our community can be strengthened, and take home practical, hands-on information to enhance both individual and community well-being. You'll also be amongst the first given the opportunity to order new "We love our community: Bayview, NZ" signs.
